## WORKING STUDENT – BREAD&&BUTTER

Zalando's success tells the story of our exceptional team and our efforts. We are always happy to welcome new colleagues to our Bread&&Butter sponsor team. You will be supporting us for the next 3 months during our exciting Bread&&Butter project.

#### YOUR CHALLENGE

- You'll be supporting our Bread&&Butter Team and help us creating and fine tuning presentations for your stakeholders
- You'll be collecting and organising content across the Bread&&Butter Team (content, pictures etc.)
- You'll be preparing overviews to keep the teams up-to-date
- You'll be supporting the team with any other adhoc requests

#### WHAT YOU'VE GOT

- You are ideally currently studying communication, PR, Marketing, Design or in a similar field
- You are fluently in English and you have strong communication skills
- One of your strengths is that you can work independently and have an eye for details
- You already gained some work experience in an internship, another Working Student position or as a hostess
- Good organization and prioritization is one of your biggest strengths

#### WHAT YOU CAN EXPECT

Ours is one of the most spectacularly successful stories in e-commerce, but we mostly prefer to concentrate on writing the next chapter. When you join us, not only can you expect to become part of an extraordinary and ambitious team, but a whole lot more:

- You are ideally currently studying communication, PR, Marketing, Design or in a similar field
- You are fluently in English and you have strong communication skills
- One of your strengths is that you can work independently and have an eye for details
- You already gained some work experience in an internship, another Working Student position or as a hostess
- Good organization and prioritization is one of your biggest strengths

#### WANT TO JOIN US?

Then we'd be more than happy to receive your application!
